Expectations for Team Membership:

* Making the squad requires a **yearlong commitment/obligation** to the program. Cheerleaders will be required to cheer **for home football games, home basketball games, and competitive cheer**. This includes summer practices, summer camp, some late nights during the school year, and weekend commitments. Cheerleaders must be willing and ready to make this yearlong commitment.

* Cheerleaders must maintain good academic standing and a C average with no failing grades in academic classes.

* **Practices and events are mandatory.** Appointments, vacations, work, etc. need to be planned around the cheer calendar. Cheerleading is a team sport and missing one person makes the practice less productive for the entire team. Severe illness or family emergencies are the only excused absences and must be approved by the coach. Excessive absences could result in dismissal from the team with no refund of money.

* All cheerleaders will be required to clean up the stadium after home football games. The money from this will go towards the operation of the team which includes uniforms, poms, competition fees, bus transportation to and from away games, and much more.

* Cheerleaders will be responsible for paying for camp and purchasing team apparel such as shoes, warm-ups, camp clothes, hair bows, warm-ups, etc. New cheerleader's costs are around **\$450 for the entire season with \$200 deposit due May 24th**. Returners may not need all items and the cost could be significantly lower. Cheerleaders will have the option to participate in a fundraiser to offset costs.

* Cheerleaders will be required to attend tumbling weekly with the team. Parents will be responsible for the monthly tuition of approximately \$65.

A cheerleader at AMHS is expected to promote and present good sportsmanship, good manners, mature and responsible behavior, good family values, cooperation and awareness of one's obligation. Parents and cheerleaders are strongly encouraged to discuss goals and expectations for the cheer squad and decide if you will be able to make the necessary commitments to the team at this time.
