

AMHS Senior Thesis Extension Request Form

To request an extension for a Senior Thesis deadline, please complete the form below and give it to the Senior Thesis Coordinator, who will share it with the Senior Thesis Committee. **You must submit your request at least one week in advance of the deadline.** If you fail to obtain advance approval, you will be considered to have missed a thesis deadline. Note that requests will only be honored if they are on time and legitimate. Requests for extensions due to poor time management by students are not legitimate reasons. In these cases, students will simply miss the deadline.

Date of Request: _____

Student Name _____ Student Signature _____
